HEALTH SOLUTIONS

**Welcome to a new era of
healthcare—accessible,
transparent, and people
centered, not paperwork.**

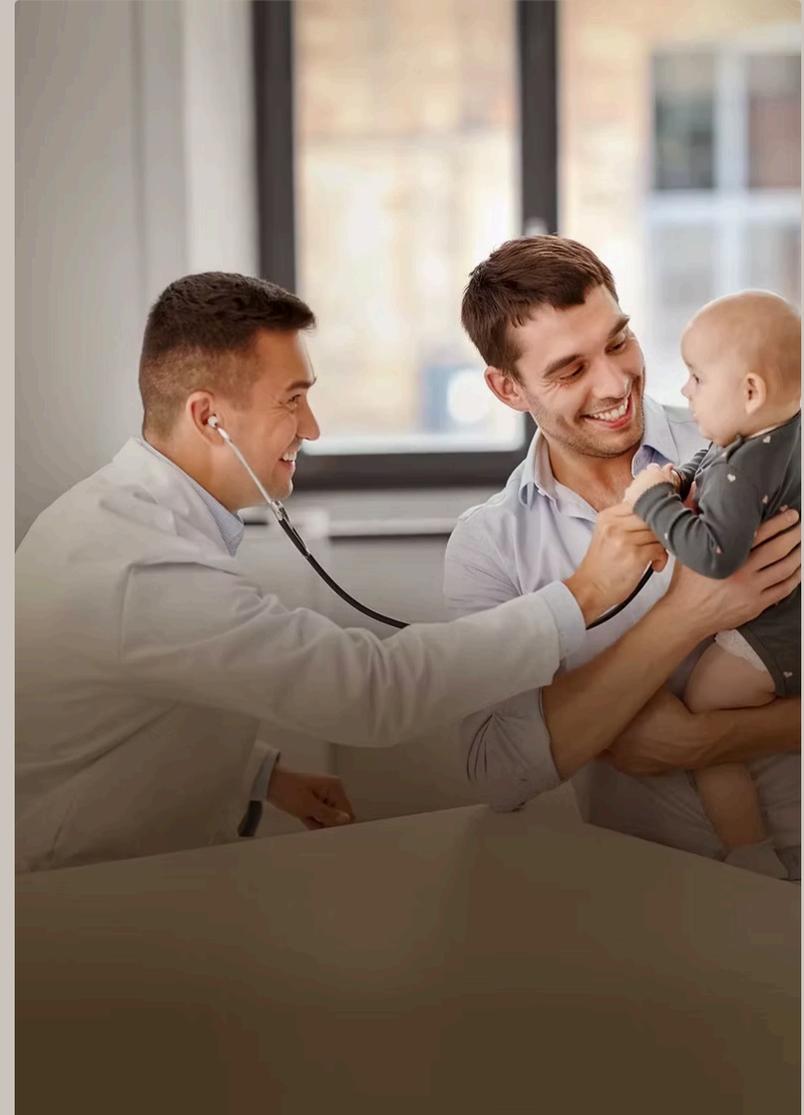

Partnering for Better Health

Our Mission:

We partner with trusted organizations to deliver personalized, high-quality direct primary care services to all members protected under AEGIS.

Our Goal:

Improve health outcomes while reducing cost, complexity, and administrative burden for employers and employees alike.

What is Direct Primary Care?

Membership-Based

Simple, predictable monthly fee replaces traditional insurance complexity

Direct Access

No copays, deductibles, or rushed visits—just quality care

Relationship-Oriented

Longer visits focused on building lasting patient-provider connections

Why Organizations Choose AEGIS

Same-Day Access

Same-day or next-day appointments with no copays or deductibles

24/7 Availability

Round-the-clock access to providers via phone, text, or telehealth

Longer Visits

Extended appointment times for comprehensive, relationship-based care

Reduced ER Use

Lower urgent care and emergency room utilization saves costs

Preventative Care / Better Outcomes

Improved employee satisfaction, productivity, and retention

Comprehensive Care Coverage

AEGIS provides services covering 80–90% of typical healthcare needs:

Primary & Preventive Care

Works With Insurance

AEGIS is not insurance—it works alongside existing plans for catastrophic events, hospital care, specialists, and prescriptions.

Discounted Services

Labs, imaging, and medications available at deeply discounted cash-pay pricing through trusted wholesale partners.

 AEGIS ADVANTAGE

Labs, Imaging & Prescriptions

Not Included in Membership

Labs, imaging, and medications are separate from the monthly fee

Wholesale Pricing

Access deeply discounted cash-pay rates through trusted partners

Transparent Costs

No surprise bills—know exactly what you'll pay upfront

Our Commitment to You

We view our clients and partners as long-term relationships that grow together, not transactions.

Ongoing Communication

Regular updates and transparent dialogue

Continuous Education

Resources to maximize your benefits

Measurable Outcomes

Improved health and financial sustainability
